

2017 Correspondence

February--March

Date	Content	Reply
28/02/17	Letter to J. Belch from J Swinney including latest from N. Brian: he considers 1). no dispute re the timing of the proposed development, 2) no ambiguity in relation to what the council determine as “ committed” in respect of the CTLR, 3) still pursuing mediation meeting with independent chair from PAS and SDCC. 4) no issues highlighted with School and NHS facilities,	(continued) 5).Air quality issues have been considered in line with requirements and will be revisited 6).flooding issues have been highlighted in consultee responses 7)phasing of house building beyond 100 will be fully assessed.
28/02/17	To planning and development re objection to housing proposal, questionnaire results included	Email Acknowledgement 1/03/17
2/03/17	To Jim Valentine, PKC deputy director environment re mediation meeting again suggesting an independent chair.	Reply 13/03/17 stating that development of site H29 has gone through statutory local plan process, is an agreed site in the LDP, any meeting would need to include all interested parties so mediation is the way forward.
3/03/17	Foi pkc re CTLR Highfield road roundabout shown on Fly through video, re definitions of completeness and statement that the roundabout is not part of the CTLR.	Ack 8/03/17 reply by 3/04/17 Term “completeness” cannot be defined by an FOI. 24/03/17 No recorded information.
3/03/17	To B Renton PKC, director of environment re Perth Transport Futures Network, can she confirm which of the 5 phases of the proposed network at various stages of construction are part of the CTLR	23/01/17 reply from Jillian Ferguson project manager phase 1&2 perth transport futures, phase 2 is CTLR phase, no timescale given, phase 1 is Bertha Park link road to be completed by 2019.
3/03/17	To AJ Stephens requesting apology for false accusation in press.	
7/03/17	Email Fauna Objection to pkc planning	Ack 7/03/17.
7/03/17	Email from Reggie Tricker re active travel audit	Meeting suggested to discuss a study site around Bridgend and Scone regarding ways to help with traffic problems ie cycle routes etc declined but not refused by CC, too short

		notice
8/03/17	Letter from Darin Melville re transport studies done by him in 2015, offering to carry out some in Scone.	Email reply thanking him but a survey carried out by him would not be valid enough for PKC or AJ Stephens
10/03/17	Reply from managing director SGN giving full explanation of gas emergency at start of February 2017	
21/03/17	Email to Reggie Tricker re Active Travel Audit	Meeting arranged for 23/03/17
21/03/17	To Nick Brian re an extension of time for the H29 planning application to be submitted to development management committee for determination	
24/03/17	From j. Swinney re sequence of events leading to formation of LDP including reply to him from B. Malone stating no problems with the changing of wording constructed to committed and enclosing timeline of events for LDP decisions.	
24/03/17	From Post office re changes to service	
27/03/17	To FOI team pkc, re CTRL. CC will take up offer to meet and discuss with Sustainable Development Team re CTRL	
28/03/17	To Jillian Ferguson PKC Project manager for Phases of CTRL, re awarding all sections of Phase 2 (A9 to A93 and A94 CTRL) as a single contract.
