30/05/17	To pkc roads dept with photos requesting info about measures to ensure flooding does not recur from the fields beyond Angus Road.	
31/05/17	From A. Taylor re meeting with Environment service re Highfield roundabout not being part of the CTRLR despite being shown on the fly through video, including 2 emails to D. McKerracher re questions for a meeting and if we contact him advising that Alex Deans will arrange a meeting with us, Bridgend Gannochy and Kinnoull CCs.	
7/06/17	To J Swinney re failure of Scot gov to implement (part 2a) of the Planning Scotland Act 2006 relating to assessment of a Planning Authority, points of information included shambolic planning meeting on May 24 th , lack of adequate planning training for new councillors, the fact that if the decision for approval had not been taken at this meeting it would have been a "Deemed Refusal" this was a result of the failure of PKC to deal with the PIP in time.	
8/06/17	Email press release re comments from Cllr Wilson, to PA and Courier	Published by Paul Cargill in the PA. 9/06/17
8/06/17	Email to Tactran re progress of draft report from March re travel audit of Scone and Bridgend.	
9/06/17	To J Swinney re reference to Planning Act 2006 part 12A (not 2A) section 251A as above on 7/06/17	
11/06/17	To B. Renton re flooding response discrepancies from a single house application in 2013 ie "full survey of existing drainage would be required" to H29 planning application responses ie "no reference to flooding and no full survey of existing drainage required" letter includes Angus Rd flooding in the first 2 weeks of June.	Ack 13/06/17 reply from B.Renton by 4/07/17
12/06/17	To Russell Stewart re lack of detail and timescale on producing a Flood Risk Assessment for H29, (as required on page 142 Of the LDP),and detailed plans of a drainage collection system, lack of indicated timescale could mean no flooding controls for 15-20 years, photos of recent flooding included.
