Response

31/08/21	From Ed Lees Scone Palace forestry control re thinning operation in beech woods south west of Muirward. starting from 27/09/21 to November. Signage will be put up to warn people of works & potential dangers on site.	
09/09/21	Re cycle path meeting: Iain Ross PKC, structural engineer, to seek approval (and funding) for bridge feasibility study. Can local CLLR Simpson research funding approval? External funding without feasibility study is difficult. Will invite reps from North Minton CC, with BKCC to make funding applications stronger, they have a good rep on sustainability, having bridge for easy access to Scone Palace a positive thing, Scone Palace would approve. Contact Sustrans.	
11/09/21	From RDMI re Community notice board was funded by SDCC, SVA & RDMI, no longer fit for purpose, broken door, too far back from road for anyone to read. Scone Men's Shed willing to make a new wall mounted board but we need to pay for materials. Does SDCC have any objections to removal of existing notice board in RDMI garden?	
21/09/21	To Sandy Robertson (Safer Communities Team) and Lee Stewart (Police) re attending a meeting to discuss alternatives to dealing with the antisocial behaviour.	22/09/21 both happy to attend, CC to recommend dates.
21/09/21	To Cllrs re results of local survey re abandoned and derelict houses.	
22/09/21	To RDMI committee re indoor meetings to be decided at next public meeting.	

Specific Issues.

	Flooding and drainage	
	Planning	
10/09/21	From Dunkeld and Birnam CC regarding info on local affordable and social housing availability.	Reply: CC concerns include lack of affordable housing within large scale developments, lack of infrastructure and no benefits accruing to the local community.
16/09/21	From PKC development committee H20 Phase 1B PA will come before committee on 22/09/21, recommended approval.	24/09/21 DMC approved development with no changes.
21/09/21	To Blair Watt re stopping up order (U88 West of Old Scone Cottages) (Stopping Up) Order 202x, sent to Scot gov for decision.	Reply: has spoken with Legal team who advised no further updates and are awaiting a decision from Transport Scotland.
	CTLR	
10/09/21	6/9/21 Contract for CTLR Stage 1 (Early Contractor involvement & Detailed Design) and	

	Stage 2 (Detailed Design & Construction) awarded to BAM Nuttall Ltd, Glasgow Road Kilsyth G65 9BL <u>Total value of contract/lot: £ 9, 224, 170.98</u> likely to be subcontracted two Stages.
