Response

26/10/21	To Mike Moir to request Destiny dates for 2022	Jan 21; Mar 18; May 20; July 22; Sep 23rd; Nov.18th
08/11/21	From G. Frater re CC concerns.	B. Duguid, new General Manager of Airport, keen to ensure local residents & neighbours have open forum, can discuss issues, no-one at Perth Airport can control or dictate where pilots fly as airspace is uncontrolled, continue to raise awareness of local resident feedback, no benefit to reflect further changes to the SOP document.
15/11/21	From Cllr Purves re links with CC and pkc	
16/11/21	From Michael Findlay PKC re <u>Stormont Road Puffin Update</u> . BT found live power cable not shown on utility maps so cannot install new cabinet, survey in next few weeks, post box will be missing for a prolonged period.	.

Specific Issues.

	Flooding and drainage	
	Planning	
26/10/21	To Jamie Scott, dev man committee re compensatory planting around H29 Phase 1A	27/10/21 Will take place in January or February 2022.
11/11/21	To PKC & architect F. Purdie re PA 21/01673 /FLL for the relocated driving range, etc at Murrayshall. Has 21/00508 /IPM been decided by PKC or withdrawn by the applicant? No mention 21/00508 /IPM as a related PA, conflict with earlier PA as new location of driving range is overlying area designated for housing in the IPM. How does this relate to removal of any proposed housing area by the new proposal? <u>no indication</u> of revised use of existing driving range area, no indication of a tree survey etc At what stage is the original application at within the planning system, will a new PA be submitted incorporating these changes?	12/11/21 From PKC j. Williamson As comments also form part of SDCC formal comments on the PA will be taken into account in the assessment of the above application. The 21/00508/IPM application which is referred to below is still under consideration by the Planning Authority at this time.
12/11/21	To pkc re PA 21/01673/FLL Murrayshall, resiting of Driving range.	From PKC j. Williamson As comments also form part of SDCC formal comments on the PA will be taken into account in the assessment of the above application. The 21/00508/IPM application which is referred to below is still under consideration by the Planning Authority at this time.
26/11/21	To pkc planning re resubmitted PA for the Bowling green, reduced to 3 houses. Previous objections still valid.	Pkc acknowledgement.
