|          |                                                                                                  |                                  |
| 15/05/22 | To Andy Tominson re potential joining of SDCC.                                                   | Not residing within the CC area. |
| 15/05/22 | To Michael Findlay re lack of school patrol officer                                              | No response                      |
| 26/05/22 | From Sandy Robertson, Safer communities Officer re removal of bench outside Tramway Court Scone. |                                  |
|          |                                                                                                  |                                  |

### Specific Issues.

|          |                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |
|----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|          | <b>Flooding and drainage</b>                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                        |
|          | <b>Planning</b>                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |
| 12/05/22 | From Alex Rowley MSP mid Scotland and Fife introducing a private members' bill re new minimum energy efficiency standards for all new house building in Scotland, asking for consultation on this proposal.                                                                                                                                                                           | 14/05/22 CC PDF response will be forwarded, 6 different standards required, re solar panelled houses, heat pumps etc. all largely missing in the new H29 development. PKC council officers have no powers to insist as no legislation. |
| 23/05/22 | From PKC planning development committee meeting June 1 <sup>st</sup> for PA <b>22/00301/FLM - S42 application to remove condition 14 (bus shelter and information board) of planning permission 18/02139/FLM, Wheel Inn, 37 Angus Road, Scone</b> recommend approval.                                                                                                                 |                                                                                                                                                                                                                                        |
|          | <b>CTLR</b>                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                        |
| 13/05/22 | From BAM Nuttall: next steps: representative group membership, nominate 2, consider ahead of next meeting some ideas/proposals for projects area ( existing or new) that BAM Nuttall could assist. A constitution document with Aims and Objectives of the Group and a group member signature will determine agreement to the aims and objectives, will contact with group selection. |                                                                                                                                                                                                                                        |
| 20/05/22 | From BAM giving progress on upgrading core path providing protected crossing point for pedestrian etc access.                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                        |
| 25/05/22 | D. Littlejohn response to J. Swinney re SDCC inquiry about process PKC follow in regard to its Public Sector Equality Duty. All processes achieved by using pkc Integrated appraisal Toolkit.                                                                                                                                                                                         | All processes achieved by using pkc Integrated appraisal Toolkit. Further consultation on access issues will be carried out later.                                                                                                     |
|          |                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |
